WELCOME TO BRAZIL.

Dear friends and family,

We created this guide because this wedding only truly matters with you here.

Our family and dear friends are traveling great distances to be with us, and we're grateful.

Choosing Brazil — and Trancoso — was our way of making space for time together: slower days, shared talks, laughter, and the small moments that make everything meaningful.

Here, we've gathered useful information and suggestions to make your trip easier and more comfortable.

Everything was planned with care so you feel welcomed and free to enjoy each day.

More than a destination, this is a moment to create unforgettable memories together.

OTHER INFORMATIONS

To ensure a smooth and pleasant experience during your trip, we share some important guidelines:

- Use of repellent: in Trancoso and in areas with greater contact with nature, we recommend using repellent, especially in the late afternoon and at night.
- Transport in Rio de Janeiro: for certain routes in the city, we suggest using a taxi, instead of transport apps. As an alternative, we recommend the company Brumie, which offers a reliable service and already knows the main routes well. In big cities, we suggest paying attention to the use of cell phones and valuables in public places, especially in busier areas.
- Tours and experiences: considering that the period corresponds to high season, we recommend that tours, transfers and experiences are organized in advance, in order to guarantee availability and greater comfort.
- General planning: small precautions contribute to a safer and more peaceful trip, allowing everyone to enjoy the period with serenity.

For any additional needs or clarifications, our concierge suggestion will be able to guide you. ❤️

FREQUENTLY ASKED QUESTIONS

Can I bring a plus one?

This is an intimate destination wedding with limited seating. Kindly note that only named guests in the invitation are included.

Will there be parking?

Yes.

Will there be transportation?

Yes. On the day of the wedding, there will be a transfer service to and from the ceremony location, for all guests staying at the partner hotel and at the meeting point in Quadrado de Trancoso.

We also offer assistance for people with disabilities (PWD). If necessary, please contact us so we can arrange everything in advance.

What will the ceremony be like at the Quadrado Church?

On the 22nd, at 03:00 PM -before the Luau- we will have a religious ceremony at the church in Quadrado de Trancoso. It will be a very special moment and, certainly, unforgettable for us. However, the church has limited capacity, so this part will be designed mainly for family and close friends.

We know, however, that many of you will already be in Trancoso on that day and, if that is the case, we will be very happy to share this moment with whoever is there.

After the ceremony, we went to the Luau at Pousada Estrela d'Água. A sunset celebration, with music, food and the Bahian climate, to celebrate together and enjoy the night with great joy.

On the 23rd, Friday, will we have a meeting point?

Na sexta-feira, dia 23, o dia será livre para que cada um aproveite Trancoso à sua maneira.
Não teremos ponto de encontro ou programação oficial nesse dia.

What's planned for Sunday the 25th?

We will be at the beach club of the Hotel Estrela D'Água for our last moments in Trancoso.
Everyone is welcome to stop by from noon, with complete freedom of time, for our farewell. ❤️
